

Our Job is to Make Your Job Easier.

What's New

To help keep you and your boating clients informed, PMU will be writing a series of articles over the next 12 months focusing on various marine and marine insurance topics.

Attached is the first in our series "Insuring your boat year-round is a smart decision". Share it with your clients and staff.

This article and others will soon be available on our website www.pacificmarine.ca. Just click MEDIA to access.

About Pacific Marine

Pacific Marine's pleasurecraft insurance program was established in the 1960's and has continued to serve Ontario brokers and their customers for over 40 years.

We are in business to pay claims. Our goal, in settling your loss, is to get your client back on the water without delay.
